Web Developer

✉ payaldevgharkar1011@gmail.com ☎ 9011248489 📍 Dhankawadi, Pune - 411043. 📅 10 Jun 2000

OBJECTIVE

Detail-oriented Web Developer with nearly 3 years of experience in creating dynamic and responsive websites using HTML, CSS, JavaScript, and popular platforms like Shopify, WordPress, Webflow, and Squarespace. Adept at integrating front-end technologies with CMS tools and frameworks like Bootstrap and Tailwind CSS. Familiar with ReactJS and experienced in team leadership, managing a team of 6 developers to ensure project delivery within deadlines.

PROFESSIONAL EXPERIENCE

Web Developer, at Walstar Technologies Pvt. Ltd.

Apr 2022 – Nov 2024

- Experienced web developer specializing in Shopify customization, with proficiency in HTML, CSS, Bootstrap, and JavaScript.
- Adept at collaborating closely with clients and project managers to understand actionable development plans, prioritizing security and relevance. Committed to delivering high-quality results and ensuring client satisfaction through continuous maintenance and updates.

EDUCATION

Bachelor of Business Administration (Computer Application)

Apr 2020

Haribhai. V. Desai College Pune

SKILLS

Programming Skills : HTML5, CSS3, Bootstrap, JavaScript

CSS Frameworks : Tailwind CSS, Bootstrap

Worked On CMS : Shopify, Wordpress, Wix, Webflow

Operating system : Windows.

Other Skills : Liquid templating (Shopify), Theme customization (Shopify), Responsive Design, Shopify Apps Integration, Custom Store Design.

SHOPIFY EXPERIENCE (2.7 YEARS)

Custom Store Design: Designed and developed visually appealing, user-friendly Shopify stores tailored to client needs using themes and customizations.

Responsive Design: Ensured stores were fully responsive across all devices (mobile, tablet, desktop), optimizing the user experience.

Theme Customization: Modified Shopify themes using Liquid, HTML, CSS, and JavaScript to align with brand guidelines.

Page Layouts & Structure: Created custom templates, menus, and optimized homepages to improve user flow and engagement.

Product Catalog Management: Managed product listings, variants, and pricing, ensuring accuracy and consistency.

Shopify Apps Integration: Integrated third-party apps (payment gateways, shipping, marketing) to enhance store functionality.

Custom Features: Developed custom features using Shopify API to meet unique business requirements.

Client Communication: Collaborated with clients to deliver high-quality, tailored store designs on time and within budget.

TEAM LEADER EXPERIENCE (1 YEAR)

With 1 year of experience as a Team Leader, I led a team of 6 developers, supporting them in reaching company goals while fulfilling client expectations. I served as the primary point of contact for clients, handling calls, discussing requirements, and providing continuous support to ensure clarity on tasks. By maintaining strong communication, I facilitated the timely completion of projects while keeping clients informed and satisfied.

PROJECTS

Luxury GoRound

<https://luxurygoround.com> 

I created a sophisticated and user-friendly design that reflects the brand's ethos of luxury and exclusivity. Collaborated closely with the client to understand their vision and requirements

Technologies : Shopify, Liquid (Shopify's theme's language), HTML, CSS, JavaScript

Twisted Ginger Jewelry

<https://www.twistedginger.me> 

I have designed a visually appealing website layout that reflects the brand's aesthetic and values.

Implemented custom features and functionalities to enhance user experience and drive sales.

Technologies : Shopify, Liquid (Shopify's theme's language), HTML, CSS, JavaScript

Adorn To Rise

<https://www.adorntorise.com> 

Currently developing this website using Elementor. Designed the website from scratch and currently working on subpages. Ensured full responsiveness for mobile and tablet devices.
